Exam : **CAT-221**

Title : CA Clarity PPM v13.x
Professional Certification
Exam

Version : Demo

1.What is the default application server vendor for CA Clarity PPM v13?

- A. WebLogic
- B. WebSphere
- C. IronFlare Orion
- D. Apache Tomcat

Answer: D

2 ."A basic service to support the management of a cluster"

In the CA Clarity PPM, which component does this statement describe?

- A. Beacon
- B. Open Workbench
- C. CA Business Intelligence (CABI)
- D. Clarity System Administration (CSA)

Answer: A

3.Which statement about deploying partitions is TRUE?

- A. A resource can only belong to one partition in a model.
- B. Fields available for processes are based on partition access.
- C. If a process uses stock attributes only, it cannot be shared across partitions.
- D. If you create a partition within a partition model, you cannot add or remove partition member Organizational Breakdown Structure (OBS) units.

Answer: B

4.You are customizing CA Clarity PPM objects for your company. You want to attach a document to a field to provide the background for a business case.

What can you specify using the Attachment Style data element?

- A. The file extension of the attachment
- B. Which icon will appear for the attachment
- C. If you want a single document or multiple documents for the attachment
- D. If the attachment will open immediately or an option will be offered to save the attachment

Answer: C

5.You can visually customize the CA Clarity PPM user interface using a Cascading Style Sheet (CSS).

Which new benefit does CCS version 3 (CSS3) offer?

- A. You can specify property values as simple expressions.
- B. You no longer need to compress images because this will occur automatically.
- C. You can represent an image in an encoded string instead of referencing the image on a file system.
- D. You can assign names to rules, which enables you to use client-side scripts to reference the rule even if its selector changes.

Answer: C

6.When you use a partition model, which objects are configurable to a specific partition? (Choose two)

- A. Report
- B. Project

- C. Timesheet
- D. Application

Answer: B,D
